

QUAD CITY PLANNED GIVING COUNCIL

We're excited to invite you to become a member of the Quad City Planned Giving Council!

The Quad City Planned Giving Council is all about making planned charitable giving better in our region. We're the go-to resource for the Quad Cities' gift planning community, working together to boost philanthropy for the greater good. We do this by providing education and encouraging collaboration to improve charitable gift planning and make our community better through the generous gifts from our donors and clients.

In previous years, our members benefitted from networking and expert guest speakers including nationally renowned speakers Professor Sam Donaldson from Georgia State University, Phil Purcell from the Salvation Army, Professor Christopher Hoyt of University of Missouri-Kansas City School of Law, and local experts Johni Hays from Thompson & Associates, Marcia Ericson from ActionCoach Business Coaching, and David Nelson from Nelson Corp Wealth Management.

We'd love for you to join us for this upcoming membership year. This year, we're offering special, lower membership rates. Membership dues are just \$50 for professional advisors and just \$35 for nonprofit professionals. As a member, you'll enjoy some great benefits, including:

- Free access to learning events, with meals included at our in-person events, and Continuing Legal Education (CLE) credits when available.
- Opportunities to network and get mentoring from experienced professionals in our community.
- Monthly round table discussion lunches held on the first Tuesday of each month.
- Free on-site consultation, access to planned giving resources, and help with board presentations for nonprofit organizations.
- Resources from the National Association of Charitable Gift Planners to help you excel in planned giving.

To join and pay online, visit www.quadcitypgc.org/join. All registrations for our event are made through www.quadcitypgc.org.

We'll keep you in the loop about our upcoming program events through email. We're always thankful for your dedication to encouraging planned charitable gifts for your clients, nonprofits, and our shared community. Please feel free to reach out to any Board Member listed below if you have any questions or need more information. We're here to help you make the most of your membership.

Thank you for considering our invitation. We're looking forward to welcoming you as a member of the Quad City Planned Giving Council, and together, we'll keep making a positive impact on our community through planned giving.
